ORANGE COUNTY TRAILS MASTER PLAN

PROJECT OVERVIEW

- The Orange County Trails Master Plan is an implementation document of the County's vision of a safe, scenic, and visitor-friendly system of trails that support outdoor recreation and active transportation and contributes to the health, economic vitality, and quality of life of Orange County residents and local communities. The current trails master plan was developed in 2012.
- This update complies with the administrative requirements stipulated by Orange County Comprehensive Plan for the Trails Master Plan to be updated every seven years to accommodate the needs of our diverse and changing population (Policy R1.1.6.1).
- This update will include the current status of the existing trail system and identify future trail corridors.

ORANGE COUNTY TRAILS MASTER PLAN

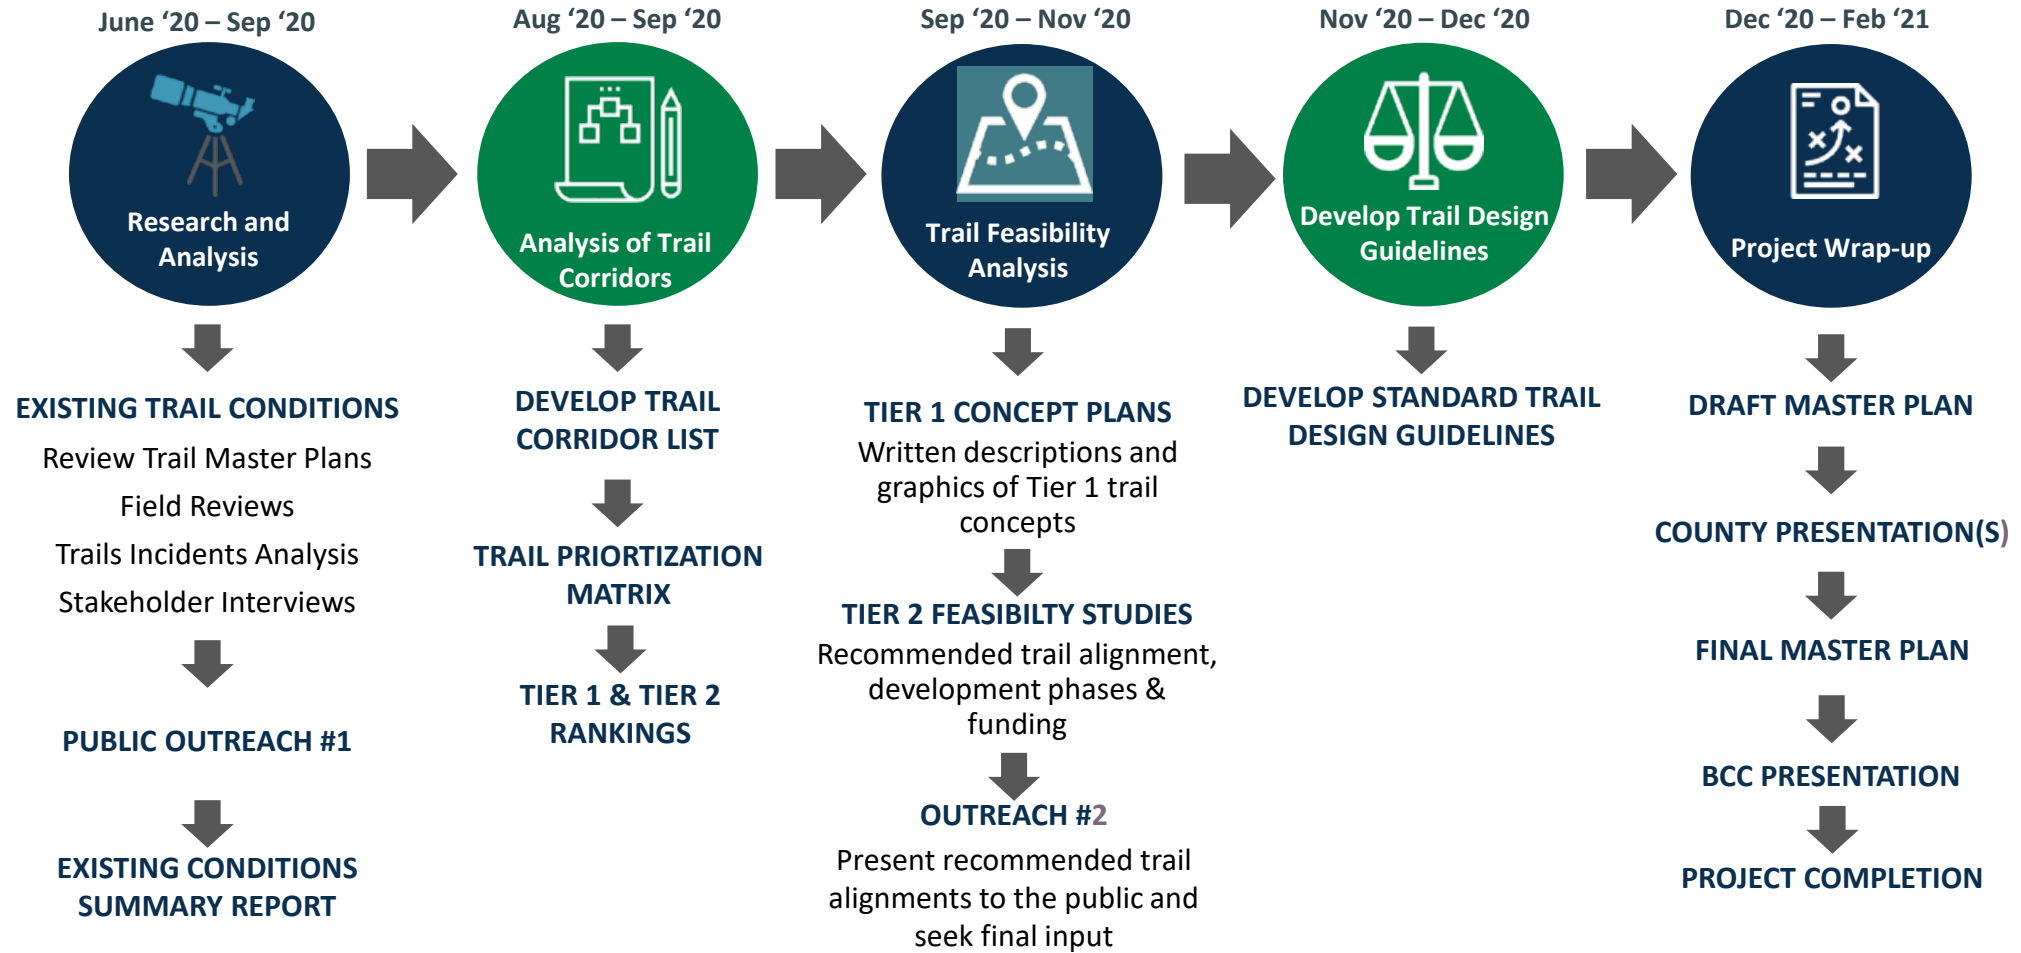

PROJECT PURPOSE

- This Plan update will:
 1. Identify the current status of the existing trail system
 2. Assess feasibility of proposed future trail corridors.
 3. Provide design guidelines for the trail system
